Furniture Designed to Work

**Welcome to the Remau family.
Thank you for taking the time to peruse our latest catalogue.**

Our history:

Remau Office Furniture was established in 1987. Since its inception, the company has grown from strength to strength, building a reputation of quality and service excellence. Management has taken the lead role in ensuring that the core values and vision of this 100%-women-owned business are upheld at all times.

What you can expect from us:

Remau Office Furniture is a manufacturing business at its core. Our mission is to provide the best value for money, as well as the best products and service. Our current infrastructure allows us to manufacture office furniture with up to 100% local content. We offer a full bouquet of products, from entry level desks to high end executive suites. The product range includes entry level chairs, executive chairs, plastic chairs, public seating, screens, reception desks and school furniture, as well as much more. We also offer a complete range of steel products, ranging from stationery cupboards and pigeon holes to four-drawer filing cabinets and lockers.

We craft solutions to help customers meet their objectives.

Remau Office Furniture operates on the principle of “cooperation to promote mutual development”, and we have won the praise of many customers with our quality products and sound service.
